Instructions for MGMU Ph.D. Entrance Test (PET) to be held on 14 May 2022

1. Applications are invited from the candidates who are meeting the eligibility criteria for enrolling in Ph.D. programs being offered by MGM University. The candidates will be required to apply for admission on the university website (www.mgmu.ac.in) and pay the fee as applicable. Candidates must check their eligibility before applying for the Ph.D. program (see Appendix attached to this document). Application and the fee will be accepted online only. **Last date to accept the applications is 10 May 2022.**

2. **MGMU PET will be conducted on 14 May 22** in online proctored mode as per the provisions of MGM University Ph.D. Ordinances 2020 (Amendment 2022) . PET will comprise of two parts as under:

(a) **Part- I. Research Methodology.** There will be 50 MCQs to be attempted in 1 hour. Each question will carry 2 marks. There will be no negative marking.

(b) **Part-II. Subject Specific Test.** There will be 50 MCQs to be attempted in one hour. Each question will carry 2 marks. There will be no negative marking. This test will be given to the student as per the choice of his/her subject of the program which the student has opted for. Candidate must score 50 percent marks separately in both the tests to qualify in the PET.

3. **Intimation to candidates about the date & time of the PET.** System generated e-admit cards will be available to the candidates by 04 May 22 for downloading. The admit card will give date/time of the tests, link for mock tests and the instructions for taking the test.

4. **Mock tests** will be conducted on 11-12 May 22 as per the program which will be given to the candidates.

5. **Late login.** Logging in will be allowed up to 15 minutes after the time of the commencement of the test. Thereafter, the candidates will not be allowed to appear in the test. This will be mentioned in the test instructions given in the e-admit card. Students, who log in late, will not be given any additional time for attempting the answers.

6. Candidates are advised to ensure that they have uninterrupted connectivity and power supply. They must ensure that their answers are actually submitted in the system. No request for re-assessment and consideration of the un-submitted answers will be entertained under any circumstances.

7. **Issue of Score Card.** The candidates will be issued their score card of the PET after the result is declared on line.

8. Candidates passing the PET successfully will be called for the interview by the Departmental Research Committee (DRC) in which they will give a presentation on the topic of their research. Merit list will be made based on the marks obtained in the PET and the interview conducted by the DRC.
