## Conduct of Common Entrance Tests, for Admission to UG/PG Programs (Other than B.Tech, M.Tech, BPA and MPA) offered by MGM University for the Academic Year (AY) 2022-23

1. UG/PG Common Entrance Tests (CETs) will be conducted for admission to UG/PG programs offered by MGM University, Aurangabad. Taking the CET is mandatory for admission to UG/PG programs unless the student has a valid score of any other entrance test (e.g. CUET) valid for admission to the program of the choice of the candidate. Details of CETs planned by MGM University are as under:

Sr. No.	Purpose of the CET	Name of the CET	Date	Remarks
1.	For Admission to UG Programs	<b>MGMU CET 2022 (UG)</b> The test will be conducted in three streams i.e. Arts, Science and Commerce for admission to UG programs.	17 ,18 May 22	Candidate will take the test as applicable to the program in which he/she wants to take admission. Please see the programs and the applicable CETs in the Appendix attached to this document in the end.
2.	For Admission to PG Programs	<b>MGMU CET 2022 (PG)</b> Seven CETs will be Conducted for admission to various PG programs.	19 May 22	

2. CET for admission to M. Tech and B.Tech programs offered by Jawaharlal Nehru Engineering College, University Department of Information and Communication Technology (UDICT), School of Engineering and Technology, Bachelor of Performing Arts (BPA) and MPA offered by 'Mahagami Gurukul' will be conducted separately and are not covered under these instructions. List of the programs being offered for admission is given on the university website i.e. [www.mgmu.ac.in](http://www.mgmu.ac.in).

3. **Application for MGMU CET.** Applications for MGMU CET (both UG and PG) are being received online through the website of the university. CET fee is Rs. 1500/- which will be paid online while applying for the CET/admission on the university website ([www.mgmu.ac.in](http://www.mgmu.ac.in)).

4. **Details of the Programs and Applicable CETs.** Names of the UG and PG programs, eligibility criteria and the MGMU CET applicable to take the admission in these programs are mentioned in Appendix attached to these instructions.

### Conduct of the CETs:

5. **Conduct.** The CETs will be conducted in online proctored mode.

6. A candidate will be required to attempt 60 MCQs in 90 minutes. Each question will carry one Mark. There will be no negative marking.

7. **Admit Cards.** e-admit cards will be issued to the candidates by 14 May 22 (candidates applying later will be able to download their admit card immediately after applying for the CET). The admit card will give date/time and the instructions for taking the test. Candidates must keep themselves updated about the CET through visiting the website of the university and through the text messages being sent on their registered mob phone number.

8. **Mock Tests.** Mock tests will be conducted on 16-17 May 2022. A video clip will be sent to all the candidates for familiarizing themselves about the conduct of the CET. Ensuring uninterrupted net connectivity, power backup will be the responsibility of the candidate.

9. **Issue of the Score Card.** The candidates will be issued the score card of the CET online.

10. **Merit List.** For making the merit list for admission, 50 percent weightage each will be given to the score of CET and 50 percent to the marks obtained in the qualifying exam.
